TH400-BW

**Black & Yellow**  
TH400-BY

**White circle & Black**  
TH400-BWR

Photo taken from a height of 30 meters

## Matte coating restrains halation

Matte coating restrains halation that might be caused by sunlight when photographed from above. It leads to photos with high discriminability.

\*Black and yellow: matte coating White: matte material (no coating)

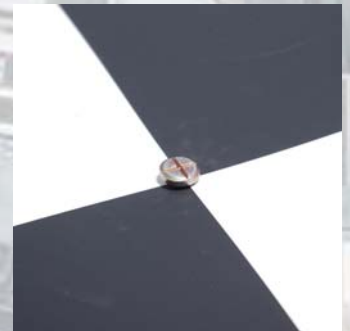

## PP: Rigid & hardly bend

By using rigid resin: polypropylene(PP) which does not bend easily, it can be set on a pile, and PP keeps its flexibility at the same time to put on various locations. Right weight as 150g for easy carrying.

## Center hole for a coordinate

Center hole to put exactly on a datum point, and four fixing holes at the corners to prevent being swept away by wind. \*This product does not contain fixing nails.

### CAUTION

- Driving nails too hard may cause damage to the sheet.
- Use of stone to hold the sheet will make a scratch on the coating.

#### Specifications

Size	395 × 395 × 1mm
Holes	φ 10mm / 5 holes
Material	PP (polypropylene)
Weight	approx. 150g / 1 sheet

#### Quantity

- 10 sheets
